Petition to Stop the Mottram Bypass and Save Swallow's Wood

"We can't build our way out of congestion. The idea that you can build lane after lane after lane is just bonkers."

Alistair Darling, The Scotsman, 13th October 2003

We, the undersigned, call on the Secretary of State for Transport to remove the A57 Mottram/Tintwistle bypass from the Government's Targeted Programme of Improvements (TPI) list immediately and end all plans for development along this route.
